NEFF HOUSE.

YELLOW SPRINGS, - - OHIO and nomination of Judge Gholson, says:

'The public judgment of the State of Ohio is decidedly opposed to the Fugitive Slave Law of Congress, and and the catching of run away negroes is a business they will not son gage in. Judge Swan, in his decision, did not reflect the opinious of a majority of the people, and the people, therefore had a right to set him aside."

That raises the issue fair and square. Is Ohio opposed to the execution of a Constitution of the promptly attended to by addressing. It is provision?

Well-known and justly celebrated Holsen on the 20th of June. The Traveling Public, in want of a constitution of the set is well as well as beautiful home for the sum mer, no better inducements can be offered. These secienced in the progress warrants me in sating that it will be one of the first Wa sering Places in the country. The table will be supplied at still times with the delicious as well as the substantials of the season. Any communication relative to prompt, or terms, (which will be in secondance with the times,) will be promptly attended to by addressing.
